

**APEL Matrix for Level 9
Graduate Business School**

Applicant's name:

Applicant number:

Date:

Programme applying for:

Please complete this matrix by providing written examples of evidence showing you can demonstrate each learning outcome based on your personal experiences.

This is to ensure the APEL sub-committee that you have the relevant experience to allow you enter a level 9 programme. These outcomes that you are mapping your experience to are taken from a Business degree programme so are quite generic in their nature.

Business Level 8 Programme Learning Outcomes	Describe your experience or qualifications that demonstrate you can do each of these outcomes:
Demonstrate advanced theoretical knowledge of the fundamental principles that underpin modern management across a broad business spectrum.	
Critically evaluate and demonstrate an in-depth appraisal of the theoretical framework that encompasses all management processes.	
Demonstrate an integrated business knowledge that is transferable across all key business fields.	
Apply appropriate professional and theoretical skills to an advanced level in a variety of complex business settings.	

<p>Critically identify responsible ethical behaviour and values in a challenging business environment.</p>	
<p>Demonstrate the capacity to apply research techniques in pursuit of creative and innovative solutions to complex business problems and opportunities.</p>	
<p>Recognise the possibilities presented by key developments in current business practice and in the emerging inter-disciplinary approaches.</p>	
<p>Develop team skills through the active participation in group settings and engaging in self-reflection practice.</p>	
<p>Appraise and assume responsibility for their professional and academic development.</p>	
<p>Demonstrate the integration of critical thinking with established theory and concepts in a challenging business environment.</p>	
<p>Apply appropriate transferable key skills* to an advanced level in a variety of complex business settings. *(Communication, Teamwork, Problem Solving, etc)</p>
